About Frank

Acts 18:9-10a Now the Lord spoke to Paul in the night by a vision, "Do not be afraid, but speak, and do not keep silent; for I am with you..."

Although this command was not given specifically to him, Frank L. Figueroa Jr. has made it his mission to follow this decree and proclaim boldly, loudly, and unashamedly, the Word of God as the Authority over all people so that many may come to know Jesus as Lord and Savior.

Frank has lived on the Island of Oahu, Hawaii, since his birth. It is here that he met and married April, his bride of 21 years. Since Oahu is a "melting pot" of many ethnicities and religions, he has had many opportunities to expose the people of Hawaii to God through the clear and expositional teaching of the Bible.

Frank has served in many various ministries throughout his life in Christ. He was the lead guitar player in a Christian heavy metal band that used basic apologetics to share the gospel with reason to a skeptical audience. He obtained his Educational Degree from the University of Hawaii with an emphasis in science, which he used for several years as a teacher at Hawaii Baptist Academy. He entered full-time ministry servicing as a Youth, Young Adult, and Missions Pastor, as well as helped to lead worship for Calvary Chapel Pearl Harbor. Frank is currently serving as the Senior Pastor of Waipio Grace Brethren Church where he has remained for the past 11 years.

Due in part to his background in education, Frank is an enthusiastic speaker for audiences of all ages. He has spoken at a variety of camps, conferences, school chapel services, home-school seminars, and many other venues. He also currently runs Centershot Hawaii, which is an archery ministry which allows him the opportunity to share the gospel to the youth within his community. His simple joy comes from the privilege of knowing that Jesus has allowed him to be used in proclaiming His truth.
